Summary: Best friends Richie and eddie reunite in Derry after 27 years (Richie Tozier/Eddie kaspbrak)

Touch Me

Richie waited at the bar nervously for his guest to arrive he had got in contact with his old best friend Eddie Kaspbrak via Twitter Eddie DM him telling about how he watched his comedy special on TV and would like to meet up with him again

Of course Richie's heart was thrown through a loop his old best friend plus teenage crush wanted to meet up again after 27 years of being apart that doesn't always happen unlike his other friends Ben and Bev Mike and Bill he and Eddie didn't end up together after high School yeah they had some moments of experimental heavy petting but that was it,

Richie wasn't always comfortable with his sexuality so he refused to come out and tell Eddie he really loved him

Soon enough he heard a gentle voice call out his name

Richie? Richie Tozier? Asked Eddie

Eds? Asked Richie turning around to see his old best friend

Richie couldn't believe it Eddie still looked the same after all these years just taller He jumped off the bar stool ran right into Eddie's arms embracing him inhaling his smell god he smelled so good Richie couldn't help but press his lips onto Eddie's he pulled away leaving Eddie to pull him back in the kiss was more passionate and heated Eddie flicking his tongue against Richie's,

Richie than felt himself rutting against clothed shaft both of them now twitching in they're pants

And just like that Richie had Eddie in his hotel room fucking him bareback on his bed

oh fuck Richie! God your so big shouted Eddie oh Richie I need you I need you to touch me all over

Eddie was practically crying at this point Richie knew how touch starved Eddie was he could fuck him senseless but that still wouldn't

cure his need for touch

Soon enough Richie had reached down grabbing Eddie's balls running his fingers through his thick bush of pubic hair he then grabbed ahold of his cock which was now leaking precum He moved his hand over the leaky center spreading his Goo all over his balls and pubic hair than bringing his hand back to his mouth Eddie tasted so good,

Richie than brought Eddie up to him kissing him he pushed him down on his back throwing himself on top of him grabbing both his and Eddie's cocks rubbing them together both wet with precum like Eddie Richie had a nice bush of pubic hair which was now damp with fluids

Eddie I'm gonna cum! cries Richie

No not yet I want a creampie says Eddie so casually

Whatever you want baby I'll do it says Richie

richie than climbed on top of Eddie pushing sliding himself back in Rocking them back and forth as fast as he could

He could feel his climax building up

Before he came he grabbed Eddie's cock pumping it over and over until he came all over his and Richie's stomachs

Oh Eddie you look so beautiful drenched in cum says Richie which earned him a laugh from Eddie

Richie was so close then he fucked as hard as he could until he couldn't hold anymore he came all in Eddie both men moaning in pure pleasure

that was so amazing says Richie hot and panting

I know I'm so glad we met back up says Eddie

they spent the rest of the night in each other's arms until they each had to go back to their homes and lives
